Dr. Peggy Müller, Counsel, specializes in intellectual property and unfair competition law. Before joining Klinkert, she worked for many years as in-house counsel at Nintendo of Europe GmbH. She most recently headed the IP team there and handled a large number of the company's lawsuits, primarily in design and patent law. In addition to her extensive practical knowledge in trademark, design and patent law and her experience in advising companies in the consumer and luxury goods, automotive and pharmaceutical sectors, a particular focus of her advisory work is on gaming and eSports.

Specializations

- Advice and litigation in trademark law, in particular in the areas of consumer and luxury goods, automotive and fashion
- Advice and litigation in design law
- Advice and litigation in the field of unfair competition law
- Anti-Piracy
- Consulting in the area of license agreements
- Advising and representing companies in the entertainment industry, especially in the gaming sector
