Dr. Simon Becker, Counsel, advises and defends companies and individuals in all areas of white-collar crime and criminal tax law. His further areas of expertise are internal investigations and advising on compliance. In addition, he has special experience in tax law. While working for an international law firm, he specialized in tax litigation and internal investigations with tax implications.

Specializations

- Advising and representing companies and individuals in all areas of white-collar crime and criminal tax law,
- Advising and representing companies damaged by economic offenses;
- Internal Investigations;
- Compliance;
- Defending individuals at all stages of criminal proceedings, regularly focusing on defense in preliminary and interim proceedings with the aim of avoiding a public trial.
